TEMPLAR EDUCATIONAL FOUNDATION

"Why the Fund Was Established"

The Educational Foundation is established for the purpose of rendering service to young men and women who find it necessary to appeal for financial help to continue their pursuit of a college education for a general or professional career. The Trustees are very conscientious in regard to the applicants welfare and are careful to see that students who borrow shall not burden themselves with too great a handicap by borrowing too large a sum. This, coupled with the large number of applicants, make it necessary that a limit be set for the total amount as well as a limit for the amount granted at any one time.
